Construct Invites South Berkshire Residents to Informative Webinar on Affordable Housing

Great Barrington, Mass.– December 6, 2021 – Construct today announced that it is offering a Zoom-based webinar, open to the public, on Tuesday, December 14th at 7:00 P.M., where leading team members will discuss how affordable housing works in the community. The webinar panelists will focus on their work related to affordable housing and support services and will respond to the audience’s questions.

The COVID-19 pandemic has underscored how precious basic necessities are--clothes, food, shelter. For many residents, reliable, safe, and quality housing can be hard to find. Affordable housing creates pathways for community members to thrive and contribute, and it's in high demand. Participants will learn how affordable housing operates here in Massachusetts from two leading experts on the topic, Construct's Executive Director, Jane Ralph, and Housing Director, June Wolf.

“Right now, many in our community are faced with great challenges,” said Executive Director Jane Ralph. “I look forward to hearing from residents and seeing how Construct can help them stabilize and thrive in the coming months.”

The webinar with Construct will take place on Zoom on Tuesday, December 14th at 7:00 PM. Zoom login credentials can be accessed using this [link](#).
